

STREAM silver

1-5 SESSIONS A DAY UP TO
20-MINUTES EACH

...FOR LOCAL APPLICATION.

The Airnergy Stream produces a form of energy the human body is familiar with. This energy can be transferred to affected parts of the body which are not sufficiently supplied with energy.

The human body's protective and self-healing power is stimulated and supported.

APPLICATION

Place the device on the affected body part and treat it 1-5 times a day with the Airnergy Stream.

AIRNERGY Stream can be used for:

- joint pains such as hip, knee, shoulder, elbow, toe, foot, finger and wrist as well as back pain.
- headaches and migraines.
- bruises, sprains, inflammation, contusions, pulled muscles and skin burns.
- inflammation of the middle ear and other ear infections, eye infections, sinusitis, toothache and jaw pains as well as skin problems, tickly throat, menstrual pains, etc.

TECHNOLOGY

Power supply	12 V DC
Power supply unit MPP15	100 - 240V AC
Power consumption	I _{max} 250 mA
Dimensions case (mm)	305 x 210 x 115 (W x H x D)
Weight incl. case	1,3 kg

INFORMATION

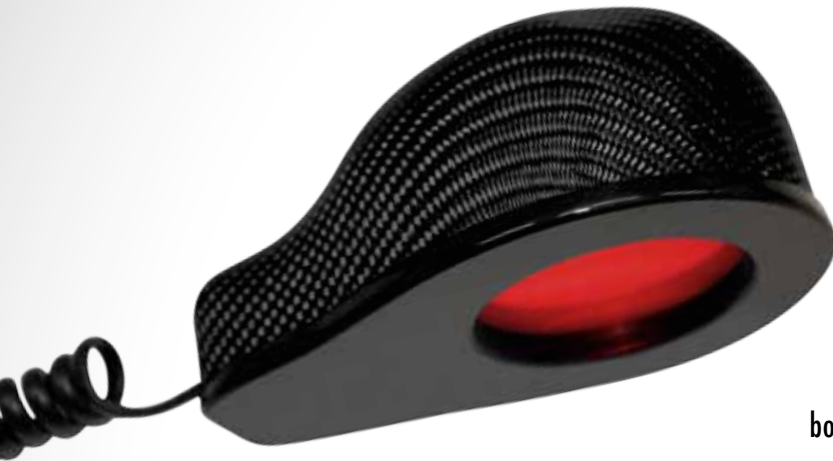

WARRANTY	2 years
SHIPMENT INCLUDES	1 power supply unit, spiral cable, 1 user manual, 1 transport case
ARTICLE-NO.	3010055s
